#### AM I ELIGIBLE?

Eligible students must be full-time juniors or seniors with high financial need. Students must be residents of, or attend college in, Philadelphia. See [artsintern.org](https://artsintern.org).

*(We encourage everyone to follow CDC guidelines. Applicants must meet the Covid requirements of their institution.)*

Through the Arts Intern panels, I've been exposed to careers and processes I had misconceptions about. Hearing directly from conservators has revealed the science and critical thinking required in treatment as well as an understanding of chemistry and the material composition of objects.
